The rent indicated in the price list is a daily rent and includes a maximum rental period from 9am to 7pm. The agreed rental period is to be observed. If the tenant is in arrears with the eviction, then he will be charged an overtime per hour in excess of the basic rent. The premises are completely vacated and left in their original condition at the end of the rental period.

Exceptions require the written permission of the landlord.

Each started hour is counted as a full hour.

The studio opens on weekends at 9am.
