

STUDIO CHERIE

Protection and hygiene concept

To protect our customers and employees from the further spread of the Covid-19 virus, we undertake to adhere to the following infection protection principles and hygiene rules.

The studios are intensively cleaned and disinfected after each production.

Every client is asked to keep a minimum distance of 1.5m during production and to cover mouth and nose with a mask to enter the studios and office.

In both studios there are several disinfectants that should be used as regularly as possible.

The client is asked to ventilate the room regularly

The maximum number of 8 people in studio 2 and 15 in studio 1 must not be exceeded.

A limited stock of masks is available on purchase at the studio in case you forget.

A percentage will be donated to the Berliner Stadt Mission

Corona Emergency Aid for people in need in Berlin:

<https://www.betterplace.org/de/projects/77980-corona-nothilfe-fuer-beduerftige-in-berlin-gemeinsamhoffnungspenden>

We ask you to limit the necessary number of people present on set and to ensure that all the members of the team wear a mask.

The client is obliged to fill out a presence documentation for contact tracking under infection protection law, which is destroyed after the retention period of 4 weeks.

This should include:

First and last name

Phone number

full address or e-mail address

Stay healthy!
